Agenda – Annual General Meeting September 10th, 2025

This year's Annual General Meeting will be an in-person meeting:

- **Onsite:** the meeting will be hosted at the False Creek Rowing Club compound LS159 at the Burrard Civic Marina 1655 Whyte Ave, Vancouver BC V6J1A9 at 8 pm.

Agenda – Annual General Meeting 8 pm, September 10, 2025

Call To Order (meeting must be called to order prior to 8:30 pm)

Notice of Meeting sent via newsletter August 18th, 2025 in accordance with ByLaw 26.

Note of Quorum

Note Bylaw 28: 10% of the members entitled to vote, or a minimum of 3, are a quorum.

While all members and program participants are welcome to join the AGM, participation in votes is limited as per Bylaw 4. The following members have the right to vote at an AGM of the FCRC:

- (Active & League) Rowing Members aged 19 and over
- Social Members aged 19 and over
- Founding Members
- Life Members
- Honourary Life Members

Honourary Members and Participants in our group lessons and Community programming who are not registered as Members do not have the right to vote at the General Meeting of the False Creek Rowing Club.

On September 7, 2025, there are 166 people registered through FCRC with Rowing Canada Aviron, of which 71 are members entitled to vote. **Quorum is therefore set at 8.**

- Founding/Life Members: 19
- Active Members over 18: 42
- Social Members over 18: 9
- Honourary Life Members: 1

 - Treasurer
 - Secretary
 - Member at Large – Membership
 - Board Member At Large: Regatta Coordinator
 - Board Member At Large: Community Programming
- e) The following people were elected at the FCRC 2023 Annual General Meeting and as at time of the writing of this report will remain on the Board:
- Sergio Fernandez – Captain
 - Charmaine Bastian – Equipment & Facilities Manager
 - Kathleen Duddy – Safe Sport Officer

In the event that no candidates stand for election, bylaw 36f states: "If no successor is elected, the person previously elected or appointed continues to hold office" and the current incumbent will remain in office.

The Club's constitution does not limit the maximum number of directors.

New Business

Next AGM date: 8 pm, Wednesday September 9th, 2026

Moving the Annual General Meeting to September allows new Board members to come onboard prior to the planning phase for the following year's programming.

- The AGM must be within 6 months of the end of the fiscal year (prior to September 30th).
- The AGM must be within 15 months of the previous Annual General Meeting (prior to December 5th, 2025).
- Note that in the event quorum is not reached at the AGM, according to our bylaws, the rescheduled AGM will take place 7 days later, and the members then present will form a quorum. Therefore the AGM should take place prior to September 22nd in the event that quorum is not reached on the originally scheduled date of the AGM so as to have the AGM prior to 6 months from the fiscal year end).

ADJOURNMENT

- I. **(motion 5 required)** Proposer: For/Against/Abstentions (record time of adjournment)

 - i) For/Against/Abstentions: all in favour, no absentions

Special Resolution to Amend the Bylaws of the False Creek Rowing Club – What is a member? This is a Special Resolution requiring 75% of those present to be in favour.

- 9) Adding Clarity to the definition of a Member

Bylaw Change 1: enhanced definition of a member.

Goal: to remove ambiguity in terms of who is, and who is not, considered a member.

Current Bylaw

4. The Club has the following classes of members, all of whom will be appropriately registered with the national and provincial rowing associations:

(a) Rowing Members are members of good standing who are either adults or youth, as per the following definitions:

1. Adult Members are individuals aged 19 years or over and are entitled to full Privileges subject to these Bylaws.
2. Youth Members are individuals aged 18 years or less and are entitled to all Privileges except that a Youth Member under the age of 18 shall not vote at any general meeting of the membership. A member is a Youth Member for the year in which he or she turns 18.

Proposal: add detail to the current Bylaw

(add section)

Bylaw 4 (a) 3

3. Members are those participants in FCRC programming, where the programming takes place over at least 3 months within the membership year, regardless of when the individual joined that program. Individuals taking lessons, where their course instruction concludes in under 3 months are not considered members.

- c. Proposers/Seconder: Bannies/Bastian
- c. For/Against/Abstentions: all in favour, no absentions

Special Resolution to Amend the Bylaws of the False Creek Rowing Club – Creating a Vice President

This is a Special Resolution requiring 75% of those present to be in favour.

10) Creating the role of a Vice-President on the Board of Directors

- a. (motion 5 required) Proposer/Seconder: For/Against/Abstentions

Bylaw Change 2: creation of a Vice President

Goal: to provide continuity and better governance to the organization by improving the transition of power from one President to the next and having a clear plan for succession for the organization.

Current bylaws:

33. The Officers of the Club are the President, Rowing Captain, Secretary and Treasurer.
44. Unless the Directors provide otherwise, the Officers have the following powers and duties.
 - a. The President is the chief executive officer of the Club and
 - (i) supervises the other officers in the execution of their duties;
 - (ii) chairs all general meetings and meetings of the Directors;
 - (iii) serves ex officio as a member of all committees established by these Bylaws or the Directors;

- (iv) officiates at Club functions; and
 - (v) has such other powers and performs all other duties that a president normally has or performs.
- (b) The Rowing Captain assists the President in the performance of his or her duties and assumes the duties of the President in his or her absence. Additionally, the Rowing Captain is responsible for the rowing operations of the Club.
- (c) The Secretary
 - (i) prepares and has custody of all minutes of meetings of the Club and meetings of the Directors;
 - (ii) maintains and keeps all records, except financial records, of the Club, including but not limited to the Register of Members, as required by the Act; (iii) conducts or supervises the conduct of correspondence;
 - (iv) issues notices of meetings of the Club and Directors;
 - (v) has custody of the corporate seal of the Club; and
 - (vi) has such other powers and performs such other duties as these Bylaws or the Directors may require.
- (d) The Treasurer
 - (i) prepares or supervises the preparation of and maintains all books of account, monthly reconciliations, financial statements and other financial records of the Club, including but not limited to records of
 - (A) all money received and disbursed by the Club and the matter in respect of which each receipt and disbursement took place,
 - (B) every asset and liability of the Club, and
 - (C) every other transaction affecting the financial position of the Club;
 - (ii) keeps such additional financial records as may be necessary to comply with the Act;
 - (iii) furnishes financial documents and information as required by the Act and the Directors; and
 - (iv) has such other powers and performs such other duties as these Bylaws or the Directors may require.

Proposal: Amend Bylaw 33 and add Bylaw 44 (d)

Amend Bylaw 33:

33. The Officers of the Club are the President, *Vice President*, Rowing Captain, Secretary and Treasurer.

Add section to Bylaw 44:

- (e.) The Vice President acts to support the President. In the event that the President no longer holds office through resignation or other mechanism outside of an election at a General Meeting of the membership, the Vice President is appointed President by virtue of this bylaw.
 - (i) assists the President and Rowing Captain to ensure that regulatory and best practices are in place within the organization;
 - (ii) periodically meets with representatives of the False Creek Rowing Club's member programs and brings their perspective to the Board;
 - (iii) officiates at Club functions in the absence of the President; and
 - (iv) assists other Board members in reviewing and proposing updates to

documents, including Bylaws, Planning Documents, Operating Procedures and other files related to the functions of the organization.

- a) Proposers/Seconder: Thomson/Rozada
- b) For/Against/Abstentions: all in favour, no absentions

Setting the Membership Fees for the coming year

Fees and Charges – Bylaw Requirement to Set At AGM

Bylaw 64. Dues and Fees

- a. The Directors will recommend changes as they see fit to the Club dues and related annual fees to the membership for their approval at the Annual General Meeting.
- b. In the event that the membership does not pass a resolution to alter the dues and fees, the existing fees and dues shall remain in effect.

65. Charges

- a. The Directors have the authority to assign pricing for programs, goods and services offered equally to non-members and members.
- b. The Directors may delegate this authority to the staff, agent or servants of the organization.

11) Motion 6: Propose that the Membership Fees for the April 1st 2024 to March 31st 2025 season be set as follows:

- f) Rowing Machine Membership November 1st 2024 to March 31st 2025
 - i) \$250
 - ii) Previous year pricing = \$200
 - iii) Previous year Prorating October 1st 2024 – January 13th 2024 \$200 January 14th to March 31st 2024 \$132
 - iv) prorated as follows:
 - (1) November 1st 2024 to November 30th 2024 \$250
 - (2) December 1st 2024 to December 31st 2024 \$200
 - (3) January 1st 2025 to March 31st 2025 \$150
 - v) NOTE: This category of Membership to include the use of the rowing machines at the Jericho Sailing Centre (JSCA). JSCA Membership not included.
- g) Social Membership April 1st 2024 to March 31st 2025
 - i) \$30
 - ii) Current pricing = \$30
- h) Life Membership purchased from April 1st 2024 to March 31st 2025
 - i) \$22,050
 - ii) Current pricing is based on 25 years of annual dues
 - iii) ii. Prorating is not available for Life Memberships.
- i) Proposers/Seconder: Oliver/Forysinski
- j) For/Against/Abstentions: all in favour, no absentions
- 12) Motion 7: Propose that the Membership Fees for the April 1st 2025 to March 31st 2026 season be set as follows:**
 - a) Annual Membership – Active Rowers April 1st 2025 and October 31st 2026 \$900

- i) Current pricing = \$882 (no prorating)
- ii) Prorated as follows:
 - (1) April 1st 2025 to June 30th 2025 \$900
 - (2) July 1st 2025 to July 31st 2025 \$800
 - (3) August 1st 2025 to August 31st 2025 \$700
 - (4) September 1st 2025 to September 30th 2025 \$600
 - (5) October 1st 2025 to October 31st 2025 \$500
 - (6) November 1st 2025 to November 30th 2025 \$400
 - (7) December 1st 2025 to December 31st 2025 \$300
 - (8) January 1st 2026 to March 31st 2026 \$200
- iii) NOTE: This category of Membership to include the use of the rowing machines at the Jericho Sailing Centre (JSCA). JSCA Membership not included.
- b) On-Season Membership – Active Rowers April 1st 2025 to October 31st 2026 \$700
 - i) Current pricing = \$690 (no prorating)
 - ii) Prorated as follows:
 - (1) April 1st 2025 to June 30th 2025 \$700
 - (2) July 1st 2025 to July 31st 2025 \$600
 - (3) August 1st 2025 to August 31st 2025 \$500
 - (4) September 1st 2025 to September 30th 2025 \$400
 - (5) October 1st 2025 to October 31st 2025 \$300
- c) Off-Season Membership – Active Rowers November 1st 2025 to March 31st 2026 \$400
 - i) Current pricing = \$316
 - ii) Prorated as follows:
 - (1) November 1st 2025 to November 30th 2025 \$400
 - (2) December 1st 2025 to December 31st 2025 \$300
 - (3) January 1st 2026 to March 31st 2026 \$200
 - iii) NOTE: This category of Membership to include the use of the rowing machines at the Jericho Sailing Centre (JSCA). JSCA Membership not included.
- d) League Membership – Full Season April 1st 2025 to March 31st 2026 \$600
 - i) Current pricing = \$585
 - (1) Current Prorating
 - (a) May 1st 2024 – May 31st 2024 \$585
 - (b) June 1st 2024 to June 30th 2024 \$468
 - (c) July 1st 2024 to August 7th 2024 \$353
 - (d) August 8th 2024 to September 30, 2024 \$330
 - ii) Prorated as follows:
 - i. May 1st 2025 to May 31st 2025 \$600
 - ii. June 1st 2025 to June 30th 2025 \$475
 - iii. July 1st 2025 to July 31st 2025 \$350
 - iv. August 1st 2025 to August 31st 2025 \$260
 - v. September 1st 2025 to September 30th 2025 \$130
- e) League Membership – Monthly April 1st 2025 to September 30th 2025
 - i) \$130 (monthly)
 - ii) Current pricing = \$125

- f) Rowing Machine Membership November 1st 2025 to March 31st 2026
 - i) \$250
 - ii) Previous year pricing = \$200
 - iii) Previous year Prorating
 - (1) October 1st 2023 – January 13th 2023 \$200
 - (2) January 14th to March 31st 2024 \$132
 - iv) Prorated as follows:
 - (1) November 1st 2025 to November 30th 2025 \$250
 - (2) December 1st 2025 to December 31st 2025 \$200
 - (3) January 1st 2026 to March 31st 2026 \$150
 - v) NOTE: This category of Membership to include the use of the rowing machines at the Jericho Sailing Centre (JSCA). JSCA Membership not included.

14. Elections

a) The Board of Directors has determined that the following positions will comprise the board subject to election this Annual General Meeting

- o President
- o Captain
- o Secretary
- o Treasurer
- o Vice President (*subject to previous Special Resolution*)
- o Board Member At Large: Community Programming
- o Board Member At Large: Membership
- o Board Member At Large: Regatta Coordinator
- o Board Member At Large: Equipment & Facilities Manager
- o Board Member At Large: Safe Sport

b) The following positions of Directors are up for election at this Annual General Meeting.
All Board of Directors positions are elected for 2-year terms.

o President

- Simon Litherland is no longer eligible to stand for re-election.
- Simon continues as president

o Captain

- Audrey Tsai has indicated that she is not standing for re-election this coming year.
- Sergio Fernandez nominated, accepts nomination, elected

o Vice President

- Ignacio Rozada nominated, accepts nomination, elected

o Member at Large – Membership

- Kathleen Duddy has indicated that she is not standing for re-election this coming year.
- Position stays empty for the time being

o Member at Large – Compound, Equipment & Facilities

- Charmaine Bastian nominated, accepts nomination, elected

o Member at Large – Safe Sport/Health/Safety

- Don Marshall has indicated that he is not standing for re-election this coming year.
- Kathleen Duddy has indicated that she will stand for this position,
 - Kathleen accepts nomination, elected

o Board Member At Large: Regatta Coordinator

- David Darling has indicated that he is resigning from this position due to unexpected other commitments
- Erin Gray has indicated that she will stand for this position.
 - Erin accepts nomination, elected

o Treasurer

- Wenqi Zhang has indicated that she is resigning from this position this coming year
- The position remains empty for the time being

o Secretary

- Ignacio Rozada is moving to the position of vice president.
- The position remains empty for the time being

c) The following people were elected at the FCRC 2023 Annual General Meeting and as at time of the writing of this report will remain on the Board:

- o Nina Thomson, Member At Large, Community Programming

In the event that no candidates stand for election, bylaw 36f states: "If no successor is elected, the person previously elected or appointed continues to hold office" and the current incumbent will remain in office.

The Club's constitution does not limit the maximum number of directors.

15. New Business

16. Next AGM date: 8 pm, Wednesday September 10th, 2025

Moving the Annual General Meeting to September allows new Board members to come onboard prior to the planning phase for the following year's programming.

- The AGM must be within 6 months of the end of the fiscal year (prior to September 30th).
- The AGM must be within 15 months of the previous Annual General Meeting (prior to December 5th, 2025).
- Note that in the event quorum is not reached at the AGM, according to our bylaws, the rescheduled AGM will take place 7 days later, and the members then present will form a quorum. Therefore the AGM should take place prior to September 22nd in the event that quorum is not reached on the originally scheduled date of the AGM so as to have the AGM prior to 6 months from the fiscal year end).

17. ADJOURNMENT

- a. Ignacio Rozada proposed to adjourn, motion passes

Constitution of the False Creek Rowing Club

- NAME OF SOCIETY: **FALSE CREEK ROWING CLUB**
- Incorporation Number: S0054244
- Business Number: 83562 9098 BC0001
- Filed Date and Time: March 13, 2018 09:45 PM Pacific Time

The name of the Society is FALSE CREEK ROWING CLUB

The purposes of the Society are:

1. The name of the Society shall be the FALSE CREEK ROWING CLUB.
2. The purposes of the Society are
 - (a) to promote and encourage a rowing community on Vancouver's False Creek and English Bay that supports the values of being safe, welcoming and respectful.
 - (b) to support recreational water sports use of False Creek and English Bay in terms of infrastructure, events, programming, and development of participants, coaches and officials.
 - (c) to work in partnership with other organizations to achieve these goals.

President's Report

The brief summary for this past year would be: “sustainable programming”.

There are many who deserve a thank you for keeping us going in the year just past:

- Those members who continue to support us through continuing to pay their membership fees and allow us to meet our lease and coaching obligations each month.
- Rowing Canada Aviron (“RCA”) and Rowing BC who helped us create and promote our community rowing program, and provided financial resources to do it.
- The Province of British Columbia for financially supporting FCRC through their Community Gaming Grant and Capital Grant program supporting community sport.
- The City of Vancouver, the Vancouver Police Department and Transport Canada who continue to clear abandoned boats from False Creek and thereby making our programming possible.

Within the club there are people making a difference and each of them needs to be recognized for what they do:

- Our coaches from the summer of 2023 and 2024: Kate, Tristan, Tom, Katrina, as well as those who stepped in this summer to help: notably Lyndsey, Nicole, and Parker, for keeping our multitude of programs up and running.
- Trevor for keeping our engines running and fixing them when they don’t.
- Georgia for being the first point of contact for every person that comes in contact with the False Creek Rowing Club.
- The people that wash our boats, scrape the mussels off the dock, come up with things to let the clothes dry properly, volunteer at regattas: you make things possible.

I missed the application deadline for a Province of BC Community Gaming Grant this year so we are relying on our own finances this year.

Due to obligations at the job that pays me I have been less engaged this year. Thank you to the Board members that helped spread the load. Sergio and Charmaine in particular have done more than I could have hoped for to care for the organization.

Regatta

Submitted by: Erin Gray

Event: Head Up The Creek Regatta – October 27, 2024

The 2024 Head Up The Creek Regatta welcomed 96 boat entries from 11 clubs, with approximately 40% female participation and a ~20% increase in overall entries compared to 2023. This year, we reversed the race course, starting from the east end of False Creek — a strategic change that improved traffic flow and safety around moored vessels. The feedback from crews and umpires was overwhelmingly positive.

False Creek Rowing Club had a strong presence again this year — fielding entries across multiple categories including Juniors, Masters, and Mixed crews. FCRC athletes won several medals, including the Men’s 1x and Mixed 4x, the latter of which included a junior athlete.

Conflict with Head and Tail of the Gorge & Scheduling Note

- This year's regatta conflicted with Victoria's Head and Tail of the Gorge (HOGTOG), which significantly reduced participation from Island-based clubs. While HUTC 2024 retained strong attendance from Lower Mainland clubs, we recommend improved coordination of BC regatta calendars to avoid overlap where possible in future seasons.

Safety remained our top priority. We're especially grateful to Jericho Rescue for providing professional on-water emergency support, and to Mike Bagshawe (Chief Umpire) and our dedicated umpire team. Despite classic late-October Vancouver weather, the regatta ran smoothly thanks to 40+ volunteers supporting parking, check-ins, course marshalling, food service, and safety.

This year's atmosphere was especially joyful, featuring coffee from the Coffee Bike, cakes from Davie Village Bakery & Gelato, Mum's Grilled Cheese food truck, and of course, Don Marshall's famous Gypsy Soup — a standout treat for all in attendance!

Lessons Learned & Recommendations

- Race course reversal improved flow and safety — should be maintained going forward.
- Early calendar coordination with other BC regattas (especially HOGTOG) is critical to maximize participation.
- Onsite amenities (shelter, storage, washroom access) continue to be limited — longer-term boathouse improvements remain a club priority.
- Volunteer engagement was strong this year; however, ongoing recruitment and retention strategies should be explored to support event growth.

We'd like to thank all club members, volunteers, and community partners who helped make the 2024 HUTC regatta such a success. We're excited to welcome everyone back on October 26th for Head Up The Creek 2025!

Boathouse

Our two compounds at the Burrard Civic Marina LS159 & LS160 provide storage of 40' x 60' and costs about \$10,000 per year in total. This continues to result in the 2nd highest premise space rental fees of any club in the country. This highest fees are paid by Vancouver College for their storage space which is in close proximity to us.

Additionally, from November to March the FCRC rents space in the Jericho Sailing Centre for our erg programming.

Membership Fees

Membership fees amendments are included as proposals in the Agenda for the Annual General Meetings. They mirror the 3% increase in fees that were applied by the Vancouver Park Board this spring for the rental of the compounds where we store our boats.

Governance Review

FCRC continues to try to become less dependent on the President. Dividing and conquering roles at a Board retreat in early January helped build understanding and clarity to the role of the Board and

each position in it – details are listed later in this report. The creation of a Vice President, was to help ease the transition to a new person from the old, jaded and eternally frustrated one.

Boat Acquisitions & The Compound

In the fiscal year ending March 31, 2025 FCRC has purchased:

- 1 Hudson 2x named Atkinson from St George's School.
- 1 Hudson 2x from Thunder Rowing Club on March 31, 2025 which doesn't have seats that fit. It's called the PeterPilot after one of our donors who has over the years contributed time and money to the club despite not being a member or a rower.

We have disposed of several shells that had reached the end of their useful lives: the Paris 4x, the Kathleen Heddle 2x (both ex-VRC), along with a Pocock 1x (ex-Vashon Island).

For the future, we likely want to pursue 1 of 2 (or perhaps both) options:

- Replace our very lightly used 4x+ with a 4x which we know would get more use.
- More used Hudson stern mounted rigger singles, that can easily accommodate brackets for pontoons allowing them to be used for new rowers.
- More Maas rowing shells: these open water singles are more stable than flatwater boats and would be a good option. Having moved the current FCRC owned Maas 1x to the front of the compound has resulted in more frequent use.

The coach boats block the use of many of the singles. We need to get rid of the green shed so that we can move the coach boats further to the east and improve access to the rowing shells in the southernmost boat racks and possible install bike racks. This would necessitate replacing the grey metal shed with a taller structure that would allow us to store more equipment in it while potentially eliminating the red shed at the same time.

One thought is to expand our programming to grow into Coastal Options hosted at the Jericho Sailing Centre.

Secretary's Report, Submitted by the President

Our organization has a strong track record of compliance with regulatory requirements and industry standards. We are pleased to report that we are current with our filings with the Registrar of Companies, with the exception of this year's Annual General Meeting. We will ensure that this event is filed accordingly after its completion.

Furthermore, we have maintained our good standing with Rowing Canada Aviron and Rowing BC through timely and up-to-date filings. We require all guest, social and active members and lesson and Community Rowing participants to become members of RCA and Rowing BC unless their information is captured under the "Come Try" day, supported by Rowing Canada Aviron.

Members with an annual renewal will be issued a membership number from RCA. Where False Creek requires a membership number, we will use the RCA registration number. Life members may use their FCRC issued number which are sequentially distributed based on application order in most cases.

Our commitment to safety and responsibility extends to our WorkSafe BC filings, which are also current and prepaid.

To manage our membership and payments, we leverage the RCA Membership Registration system for rowing lessons and membership management. We have use WaveApps, a web-based accounting package, for all payments not involving re-registration with RCA..

As part of our commitment to safety, we engage Sterling Backcheck to perform criminal record checks on our coaches and board members as needed. We take pride in partnering with recommended vendors such as Sterling Backcheck, and in requiring our coaches and board members to have their Rowing Essentials and Making Ethical Decisions through the Coaches Association of Canada since March 31st, 2021. We reimburse their costs for taking these courses, as well as any first aid courses they may require.

[Treasurer's Report, Submitted by the President](#)

We are not required to collect PST or GST as part of our charges as we do not meet the earned income threshold over which it must be charged. Much of our revenue is through grants and therefore not earned, therefore falls under the threshold for declaration to the tax authorities.

We continue to use the WaveApps.com bookkeeping system. A web-based application, it connects to our accounts at RBC Royal Bank.

We take our tax obligations seriously and comply with Canada Revenue Agency T2 corporate tax filings annually. Our filings for the fiscal year ending March 31, 2025, have been prepared for the CRA.

Due to restraint in terms of spending on equipment we are in a positive cash flow environment. Previous years acquisitions are still impacting our depreciation line, however it has been recognized that while fiscally we are obliged to depreciate our equipment over 6 years by Revenue Canada, the functional lifespan of well cared for rowing shells approaches 20.

This past year we also paid back an outstanding debt to a member that had existed since we first rented our boat compounds from the Vancouver Park Board, this leaves us with no outstanding debt.

[Financial Position and Statements – Please see fiscal reports later in this report \(page 27\).](#)

[Registration of members with Rowing Canada Aviron and Rowing BC.](#)

This report is written in late August: generally speaking, we are not going to sell many further memberships and no more lessons. Regatta revenue and expenses are generally equal. Our cash balances are required to carry us through until the middle of February when we anticipate the beginnings of group lesson sales for the summer of 2025.

Including Peloton receipts that do not show on our September 7th records, we have an approximate cash balance of \$30,000 (plus an additional \$6,000 in the BC Amateur Sport Fund) and anticipate net expenses of approximately \$17,000 to March 31st.

We have opened a savings account with a balance of \$5,000 to use as an emergency fund in lieu of insurance on our equipment. We anticipate growing this amount in the years to come to allow us to effectively be self-insured.

HEALTH AND SAFETY Report

In support of being able to provide a safe environment, we have invested in new engines in the past. Safety on the water, and in the compound, are still tasks that require constant attention, careful planning and execution at all times. Particular attention is needed to be safe when the weather conditions can become harsh and dangerous. Much of this attention is carried out through the activities of our coaches under guidance from the Safe Sport Officer.

- Maintaining safety kits for safety/coach boats – summer/winter appropriate.
- Maintaining a functional first aid kit, and investigates getting an AED
- Ensures that members are aware of Transport Canada and FCRC safety guidelines in terms of PFD's, whistles, lights, etc.
- Ensures that members are appropriately attired for the situation.

To support our operations we have also replaced our aging 20 HP engine with a new-to-us low hour Mercury 20 HP engine. It's smooth, quiet and well mannered. With an electronically fuel injected engine, it should be far more economical to operate than its predecessor.

SAFE SPORT - SAFE SPORT LEAD – Kathleen Duddy

Written by the President

The False Creek Rowing Club has an escalation with respect to Safe Sport during the period covered by this report. Due to a conflict of interest, we were unable to address the matter internally and it was escalated to the Independent Third Party under our Safe Sport policies as provided by Rowing Canada Aviron.

A Safe Sport Complaints Officer from another rowing club was appointed and reviewed the case. A final report was provided to the President and the involved parties. In reviewing the findings of the report, and suggested actions, the False Creek Rowing Club does not anticipate that further issues will result either from the incident, or from the involved parties.

Community Rowing, Submitted by the President

We did not receive a Canada Summer Jobs Grant in 2024 or 2025 and as a result, we did not have strong community programming support. In the summer of 2024, we did continue with our Canucks Autism Network "CAN" programming, but had uneven documentation of attendance.

In combination with overcapacity issues related to our program champions (new roles, returning to school), we have not been able to maintain our strengths in this programming. With the coming election of September 2026, we hope that we will be able to pursue further outreach with enlivened volunteers.

Rowing Operations – Submitted by the Captain

In the last year the focus has been on maintaining our members' programs. During the fall and winter, we have increased our programming to have both weekend days covered by coaches, so we minimize

the risks from independent rows when the waters are cold but not enough to be below our safety threshold. On land, we have extended our partnership with the Jericho Sailing Centre Association and, in addition to the erging sessions for members, we have opened that for volunteers from their Rescue Team. For the spring and summer, we have kept a similar programming, just introducing minor adjustments based on members' feedback. We continue relying on the same core of coaches, but we have incorporated a few new ones during the summer to help us cover all programs. Our fleet seems to cover our current needs, but we're probably looking into getting a new 4x that would replace the 4x+ that has not much usage. The two main struggles continue to be: 1) Low membership numbers that provide no room for further sessions in our budget; 2) Low retention from Learn To Row programs to regular members. The lowlight is that our Community program hasn't had a follow up this year, due to the lack of resources and partnership opportunities. We expect to follow a similar approach the year to come.

Financial Statements – April 1st, 2024 to March 31st, 2025

FALSE CREEK ROWING CLUB

The financial statements for the False Creek Rowing Club are not audited at this time.

False Creek Rowing Club - 2025 Annual General Meeting Report Package

OVERVIEW

Starting Balance	\$24,164.52 As of 2024-04-01	\$38,435.93 As of 2023-04-01	-\$14,271.41	-37.13%
Gross Cash Inflow	\$92,427.58	\$191,872.71	-\$99,445.13	-51.83%
Gross Cash Outflow	\$86,174.43	\$206,144.12	-\$119,969.69	-58.20%
Net Cash Change	\$6,253.15	-\$14,271.41	\$20,524.56	143.82%
Ending Balance	\$30,417.67 As of 2025-03-31	\$24,164.52 As of 2024-03-31	\$6,253.15	25.88%

Notes to Financial Statements

1. **The financial statements for the False Creek Rowing Club are not audited at this time.**
2. The account numbers listed in the account listings reflect the coding for the Canada Revenue Agency T2 Corporate Tax filings.
3. Rowing Canada Aviron ("RCA") processes registrations and payments for our lessons and first new membership paid each year by members through Peloton Technologies. These payments are recorded within our financial statements and are manually uploaded into the accounting system. Follow up payments are typically made through our payment processor: WaveApps.
4. Rowing BC's and RCA membership payments for individuals and for the organization are paid into the FCRC operating account and are shown on our financial statements as revenue – they are not deducted at source in the RCA web registration system. Funds are transferred to Rowing BC and RCA when the invoices arrive.
5. During the fiscal year ending March 31st, 2025, certain expenses, including RCA and Rowing BC fees and coaching costs related to Community Rowing programming were charged to the Community Rowing expense line.
6. During late 2019 we migrated to WaveApps accounting for pre-authorized or recurring payments and these amounts are now shown when incurred. Additionally, FCRC uses WaveApps for payroll services. WaveApps maintains our financial record keeping through automated transaction imports from our accounts at RBC Royal Bank.
7. Donations to benefit the False Creek Rowing Club can be made to the BC Amateur Sport Fund, a philanthropic gift-giving program established through the Canadian Council of Provincial and Territorial Sport Federations (CCPTSF) for the development of amateur sport on a national level.
 - a. The CCPTSF is a Registered Canadian Amateur Athletic Association (RCAAA) with the Canada Revenue Agency (#88938 6868 RR0001).
 - b. Donations are held by the NSTF until FCRC applies for a grant to access those funds.
 - c. NSTF funds are held at arm's length from the FCRC. As a result, they are not reported on the FCRC's accounts until project grants are received from them.
8. The Loan from Member 001 for \$5,772.00 shown in the Balance Sheet reflects funds owing to Simon Litherland with respect to the initial lease of area LS159 at the Burrard Civic Marina that allowed the club to start storing boats and function as a rowing club. It was augmented in 2019 when the Federal Government withdrew funding for the Canada Summer Jobs position and FCRC was without resources to reimburse them. This loan has been repaid through 2 mechanisms:
 - a. Boat Storage fees for Simon Litherland's rowing shell have been charged to, and therefore reduced, his loan balance outstanding.
 - b. On July 3, 2024 a cheque in the amount of \$4,752.00 from the FCRC paid out the balance outstanding of the loan from Simon Litherland. The current balance outstanding is now \$0.00.
9. Depreciation of asset values: on March 31, 2025 depreciation of assets in the current and previous years was taken according to the following practice: certain items have been identified as having 6 year depreciation (new rowing shells, new oars), while other capital equipment (used rowing shells & oars, coach boats, engines, etc) is on a 3 year schedule.

Fiscal Year 2023 Depreciation, charged March 31, 2023

6 year Depreciation include new oars and boats.

Depreciation - 6 year items - FY2020 assets

- original cost \$2,108.60
- \$351.43 in 6th year
- \$0 remaining balance

Depreciation - 6 year items - FY 2021 assets

- no purchases

Depreciation - 6 year items - FY 2022 assets

- original cost \$62,678.69
- \$10,446.45 in 4nd year
- \$20,892.89 remaining balance

Depreciation - 6 year items - FY 2023 assets

- original cost \$84,948.87
- \$14,158.15 in 3rd year
- \$42,474.42 remaining balance

Depreciation - 6 year items - FY2024 assets

- Original cost \$34,260.10
- \$5,710.02 in 2nd year
- \$22,840.07 remaining balance

Depreciation - 6 year items - FY 2025 assets

- no purchases

3 Year Depreciation Items includes used boats, oars, safety/coach boats, motors and hand made infrastructure items.

Depreciation – 3 year items – FY 2023 assets

- Original cost \$16,597.33
- \$5,532.44 in 3rd year
- \$0 remaining balance

Depreciation – 3 year items – FY 2024 assets

- Original cost \$39,559.49
- \$13,186.50 in 2nd year
- \$13,186.49 remaining balance

Depreciation - 3 year items - FY2025 assets

- Original cost \$525.00
 - \$175.00 in 1st year
 - \$350.00 remaining balance
- Current year items with 6 year depreciation: \$30,666.05
- Current year items with 3 year depreciation: \$18,893.95

Total depreciation for the Fiscal year ending March 31st, 2024: \$49,560.00

The financial statements for the False Creek Rowing Club are not audited at this time.

OVERVIEW

Starting Balance	\$30,417.67 As of 2025-04-01
Gross Cash Inflow	\$46,324.31
Gross Cash Outflow	\$44,681.71
Net Cash Change	\$1,642.60
Ending Balance	\$32,060.27 As of 2025-09-07

Strategic Goals:

Short Term:

- 1) We obtain a sufficient number of members and boats to be able to operate from our existing premises at the Burrard Civic Marina sustainably.
- 2) We grow our fleet at the Burrard Civic Marina to approximately 24 boats (8 - 1x, 8 - 2x, 4 - 4x/+, 4 - 8+) to be able to better cater to the needs for rowers returning to the sport, and to be able to offer lessons to individuals on a limited basis.
- 3) We operate our club and its programs in line with our values so that potential members approach us first.
- 4) We work with the other users of the False Creek waterway (other rowing clubs, organized paddlers, ferry operators, and marinas) to build understanding of each group's goals.
- 5) We generally row in the mornings or during the day and are respectful of the paddling events/practices that happen on False Creek, particularly in the evenings.
- 6) We continue to host the Head Up The Creek regatta on a Sunday in early March.

Medium Term - building on our short term strategic goals:

- 7) We work with the rowing and paddling groups, and potentially groups like the Bard On The Beach to create or improve the facilities available to these users at the Burrard Civic Marina compounds and Vanier Park in terms of covered storage, washrooms, showers, locker and changing rooms and administrative, socialization and meeting room space.
- 8) We continue to work with the paddling groups at the east end of False Creek to create a facility that can support rowing for youth, people with disabilities and large groups.
- 9) We offer rowing programming focused on the quality of the instruction for those who are new to the sport, and those who are already experienced.
- 10) We expand our rowing opportunities to include Coastal Rowing.

Long Term – building on our medium term strategic goals:

- 11) We continue to operate a rowing program from the Burrard Civic Marina that caters to our more competitive members.
- 12) We operate a boathouse from the east end of False Creek that supports adaptive, youth, secondary school, recreational and post-secondary institution programming.
- 13) We operate an equipment rotation strategy so that all members have access to equipment that is appropriate to their stage of development and physiology.
- 14) We host a coastal rowing event from Vanier Park.
- 15) We host “friendly” events on the 500 metre dragon boat course in August.
- 16) For the following events, we only send crews chosen based on merit:
 - a. Head Of The Charles (Boston USA) club events,
 - b. Seattle Yacht Club Opening Day Windermere Cup Regatta (Seattle USA),
 - c. Brentwood Regatta (Mill Bay, BC),

- d. Henley Royal Regatta (England, UK),
- e. Royal Canadian Henley Regatta (St Catharine's, Canada),
- f. Canadian Secondary Schools Rowing Association (Niagara, Canada),
- g. Canadian University Rowing Championships (various)
- h. Rowing Canada Aviron western selection and trial events (western Canada).

Board Roles

As a result of a Board Retreat, followed up by a survey of the board members, the following represents the duties of the Board members of the FCRC:

PRESIDENT (2 year term - 14+ hours/month)

The club president is the Chief Executive of the Club and is responsible for managing the club, leading board meetings and general club meetings, and enforcing boathouse rules and regulations. They also act as the public face of the club, interfacing with the media and the public, as well as being the primary contact for the club in an emergency situation. Key duties include:

- Chair all Annual General Meetings and Special General Meetings of the club membership
- Chair all meetings of the board of directors
- Supervisor and manage all general affairs and operations of the club
- Collaborating with the Treasurer, Community Rowing Board Member and Grant Coordinator to write effective grant proposals and secure appropriate funding
- Participates on internal committees as required (Health & Safety Committee, Regatta Committee)
- Responsible for stakeholder/affiliate relations (Rowing Canada Aviron/Rowing BC, and other organizations) including conflict resolution
- Casts deciding vote in the event of a tied vote on any issue at any meeting.
- Facilitates board planning meetings on a regular and as needed basis
- Acts as the club representative/spokesperson where public speaking or media relations are required.
- Provides signing authority on all bylaws and financial matters
- Ensures the Board and its committees are adequately and currently informed - through reports and other methods - of the condition of the club and its operations.

Qualifications include but are not limited to:

- Strong leadership skills and the ability to inspire and motivate others, as well as the ability to make decisions that benefit the club.
- Good communication skills to communicate effectively with all members, coaches, and stakeholders.
- Knowledge and passion of the sport of rowing
- Experience managing a small organization/team including financial management and event organization.
- Able to commit the necessary time and energy to the club, including attending meetings, organizing the regatta, and providing guidance to other directors.

CAPTAIN/VICE PRESIDENT (2 year term - 14+ hours/month)

The Captain/Vice President performs the duties of the president in the absence of the president. They assist with hiring and overseeing club coaches and act as the secondary contact for the club in emergency situations. The vice president is also responsible for creating non-community rowing programming (Learn-to-Rows, membership rows). The Captain/Vice President serves as co-head of

the safety committee. The Captain's primary goal is to provide clear programming for membership. Key duties include:

- Ensuring there is adequate coaching staff for all programming
- Supporting and providing resources to coaching staff
- Creating non-community related club programming
- Provide and coordinate seasonal scheduling for coaching staff
- Participate on internal committees as required (Health & Safety Committee)

Qualifications include but are not limited to:

- Strong leadership skills and the ability to inspire and motivate others.
- Good communication skills to communicate effectively with all members, coaches, and other stakeholders.
- Ability to train and manage coaches by providing constructive feedback and evaluating their performance.
- Strong organizational skills to manage club programming, creating schedules and provide clear direction.
- Able to develop new and innovative programming from the club, including non-community related programming.

TREASURER (2 year term - 8-10 hours/month)

The Treasurer is responsible for effective oversight of the club's financial transactions, budget planning, financial reporting, payroll administration, and bookkeeping. They ensure accurate record-keeping and provide strategic financial advice to the Board of Directors. Key duties include:

- Overseeing all financial transactions, including income and expenses.
- Planning and developing the club's annual budget in collaboration with the Board.
- Maintaining accurate financial records including deposit and expense logs, receipts and invoices.
- Providing user-friendly financial reporting to the Board detailing FCRC's financial health for the Board to make well-informed, high quality decisions.
- Administers payroll processes for employees and reimburses employees/club members for club-related expenses.
- Ensure FCRC's financial practices align with applicable laws and regulations.

Qualifications include but are not limited to:

- Proficient at MS Excel, willing to learn and adapt with respect to all things financial, is interested in story-telling using data and making financial reports user-friendly.
- Possess a strong background in financial management, including knowledge of budgeting, financial reporting, and bookkeeping practices. Able to analyze and interpret financial data accurately.
- Able to assess the financial needs and goals of the club and provide strategic advice on financial matters to support informed decision making.
- Accuracy and attention to detail are crucial in maintaining financial records, as well as an understanding of applicable regulations and laws to ensure the club remains in good standing.

SECRETARY (2 year term - 1-3 hours/month)

The secretary is responsible for managing the club's documentation. They take minutes during all board, special, and general club meetings and also are responsible for submitting reports and updating the BC Societies account. The Secretary also works with the Club Administrator to manage membership. Key duties include:

- Transcribing board meeting and annual general meeting minutes
- Serving as backup to the Director at Large (Club Administrator)
- Managing and maintaining the Document Repository
- Assists in updating the website

Qualifications include but are not limited to:

- The ability to manage and maintain documentation, including minutes, reports and other club records.
- Provide attention to detail in managing records.
- Communicate effectively with other board members, club members and stakeholders.
- Proficient in using Microsoft Office Suite, Google Documents, and other web-based applications.

DIRECTOR AT LARGE - CLUB ADMINISTRATOR (1-2 year term - 8-10 hours/month)

The club administrator is responsible for being the first point of contact for the club. They monitor the club's general email account and respond to or forward emails and phone calls to the appropriate coach, board member or committee head. The administrator also serves as head of the club's Membership Committee and is responsible for managing the club's membership database. Key duties may include:

- Coordinate engaging social events for the club to foster a strong community
- Engaging LTR/community rowers post-session, building relationships and encouraging ongoing participation
- Organizes equipment maintenance days (in conjunction with the Equipment Manager)
- Assists in organizing members and volunteers at Head Up The Creek Regatta

Qualifications include but are not limited to:

- Excellent communication skills to respond to or forward emails to the appropriate member
- Able to provide a positive experience for all members and potential members by performing regular check-ins.
- Able to plan and organize social events to ensure members have an opportunity to gather together.
- Strong interpersonal skills to work effectively with the board, membership, and new members.

DIRECTOR AT LARGE- HEALTH & SAFETY OFFICER (1-2 year term - 4-7 hours/month)

The Health & Safety Officer (HSO) is responsible for making sure that the club is operating safely. They are part of the Health & Safety Committee (in conjunction with the President and Captain/Vice-President). The HSO works with the coaching staff, rowers, and volunteers to make sure that the proper safety equipment and supplies are available and accessible. They also make sure that club safety standards are enforced and manage how the club handles complaints. Key duties include:

- Regularly collaborates with the Captain to ensure coaches are up to date with safety protocols and that safety equipment and supplies are accessible to rowers and volunteers
- Plan and coordinate safety meetings for club members and staff, ensuring that everyone is aware of safety procedures and protocols
- Reviews and updates safety procedures regularly based on RCA/Rowing BC protocols to maintain the highest level of safety
- Acts as the SafeSport lead to promote a safe and healthy environment for all members
- Assists with equipment maintenance to ensure that safety equipment and supplies are in good condition and functioning properly

Qualifications include but are not limited to:

- Knowledgeable of rowing safety protocols, equipment and techniques to ensure a safe rowing environment.
- Able to pay close attention to detail to ensure all safety procedures and protocols are being followed.
- Knowledgeable of RCA and Rowing BC protocols.
- The ability to lead the Health & Safety Committee and provide guidance to coaches, rowers, and other members.
- Basic knowledge of equipment maintenance to assist with maintenance of safety equipment.

DIRECTOR AT LARGE - COMMUNICATIONS (1-2 year term - 4-7 hours/month)

The communications manager supports communication strategies through the website and social media. They are responsible for developing a communications/marketing strategy and provide support to staff using social media. Experience in marketing/communications is ideal, as well as the ability to use most social media platforms. Key duties include:

- Updates the website and various social media platforms
- Participates in recruitment strategies for various club roles (coaches, Community Rowing, etc)

Qualifications include but are not limited to:

- Marketing/communications experience in developing and executing communication strategies including website and social media management.
- Able to use social media platforms effectively to create and distribute content to engage its membership.
- Able to write and edit content for the website, social media platforms and other communication channels to communicate the club's messaging.
- Strong interpersonal skills to work collaboratively with coaches, board members, and club members.

DIRECTOR AT LARGE - COMMUNITY ROWING (1-2 year term - 14+ hours/month)

The Community Rowing Board Member is responsible for planning and implementing the club's Community Rowing Program. This position includes outreach to community organizations to develop partnerships for organization-specific programs, liaising with Rowing BC when they are primary contact for a community organization, developing programming to serve target communities and meet the requirements of grants received, coordinating with the Club Captain to implement programming and facilitate specialized coach training, and organizing member volunteers. Responsible for recruitment, training and management of Community Rowing Coordinator, when this position is available. Key duties may include:

- Planning and implementing the club's Community Rowing Program in coordination with the Club's Captain.
- Responsible for outreach to community organizations to develop partnerships for organized specific programming.
- Collaborates with the Communications Manager to prepare program promotional, educational and evaluation materials.
- Oversees the development of a multi-year plan for sustainable Community Rowing and collaborates with the President on grant application/management. They are responsible for developing programming that meets the requirements of the grants received.
- Manages the Community Rowing Coordinator.
- Secondary roles include acting as the Club's Complaints Officer.

Qualifications include but are not limited to:

- Experience in organizing community outreach programs or working with community partners and organizations.
- Strong communication skills, both verbal and written, to liaise with both internal and external groups.
- An attention to detail and organization to execute a variety of tasks, including program development, grant application/management, and volunteer recruitment and management.
- Experience in grant writing may be an advantage to assist in developing programming to serve targeted audiences and communities.

DIRECTOR AT LARGE - GRANT COORDINATOR (1-2 year term - 8-10 hours/month)

The Grant Coordinator assists various board members in their roles and responsibilities, primarily the President and Community Programming Manager. Their top priorities include grant writing, programming coordination, as well as conducting research and outreach for Community Programming.

Key duties include:

- Researching potential funding sources for specific programming and identifying foundations, corporations, government agencies and other interested organizations.
- Writing clear, concise and compelling grant proposals that support the Club's programming objectives.
- Managing the grant reporting process including tracking funding, collecting and analyzing data and providing updates regarding the impact of the project.
- Coordinating with the Club's President, Treasurer, and Community Rowing Board Member to secure appropriate funding.

Qualifications include but are not limited to:

- Experience in researching, writing, and submitting grant applications to various agencies, including but not limited to Rowing Canada Aviron, Rowing BC, as well as other municipal and private organizations.
- Knowledgeable about club programming including community and non-community programming.
- Able to work collaboratively with board members and community partners to achieve the club's goals.

DIRECTOR AT LARGE - EQUIPMENT MANAGER (1-2 year term)

The equipment manager is responsible for keeping the club's equipment (including shells, oars, coachboats, and other equipment) and boathouse in good working order. As head of the Equipment Committee, they also organize and lead club work days, communicate with the rest of the board about general boathouse maintenance, arrange for any equipment repair, and make sure that the boathouse is stocked with parts for repairs. Key duties include:

- Ensure all the club equipment is in good condition and functioning properly. Regularly inspects all safety equipment and organizes repairs.
- Able to monitor and keep track of all rowing shells, oars, coach boats, engines and compound storage containers.
- Provides updates to the Board about equipment deterioration and significant repairs.

Qualifications include but are not limited to:

- A strong understanding of rowing equipment and operation as well as the ability to perform basic repairs and maintenance. Knowledge of safety procedures and regulations is also important.
- Effective organizational skills to manage the storage of equipment and extra parts/tools.
- Strong interpersonal skills and the ability to communicate clearly and effectively.

DIRECTOR AT LARGE- REGATTA COORDINATOR (1-2 year term)

The regatta coordinator is responsible for managing the FCRC "Head Up the Creek" regatta. They will be the primary liaison to all other clubs, vendors and volunteers. The coordinator will also be responsible for registering any FCRC member of good standing in any regattas the individual/group wishes to participate and represent in. The regatta coordinator is also head of the Regatta Committee. Key duties include:

- Submit permit applications to the City of Vancouver and Transport Canada to host Head Up The Creek
- Coordinate club members, volunteers, and vendors day of regatta.

Qualifications include but are not limited to:

- Experience in event planning and management including logistics, budgeting, and scheduling. Able to coordinate with vendors, volunteers and other stakeholders to ensure the event runs smoothly.
- Knowledgeable of the rules and regulations and equipment used and passionate about the sport of rowing.
- Able to communicate effectively with all involved parties as well as build relationships and work collaboratively with others.
- Strong organizational and leadership skills are important, as well as the ability to remain calm and professional under pressure.
